

**MANIFESTO OF THE COW  
ORDINANCE & LIBERATION  
FRONT (C.O.L.F)**

I am a milky art cow  
Milk my milky art tits  
Taken to market  
Bottle and sell it  
*You know better*

I am a milky art cow  
Sip my milky art tits  
Gnashed and murmuring  
Gone off! Yuk!  
(*Gatekeeper*)

I am a milky art cow  
Give me a garland  
Praise my milky art tits  
Tittering  
*Only good for the slaughterhouse*

I am a milky art cow  
A bolt has missed my brain  
Panic and let it be known  
Milky art cow has rabies  
*Bovine Spongiforme Enzephalopathie*

I am a miffed milky art cow  
Worming tablets work as expected  
Gives me stomach cramps  
Shit that looks weird  
*Tendrils*

Become a hardened milky art cow  
With big milky art cow tits  
Knit a kevlar bra  
Strap bazookas  
*To the nipples*

Undomesticated  
Smash pens and corrals  
Earth thundering with hooves  
A terrible battle cry  
*Moooooooo*
